# ABOUT US

CSD(Pty)Ltd was established in July of 2021. We exist because K9s have played and do still play an important role in the social, economic, safety and security of South Africa

We manufacture and supply a wide range of products for the development of both pets and dogs active in service

We use carefully selected materials that are locally sourced within the country, to ensure the safety of both K9 and handler

# WHY USE CSDK9GEARS PRODUCTS?

Our products are used by industry professionals who are out rearing and training dogs for active service 24/7.

So whether you train for sport, military, police or personal home training, we provide all the tools necessary to develop a well balanced and structured companion
